

Community Justice Project

Community Justice Project

<https://communityjusticeproject.com/> (305) 907-7697

Areas Served: Statewide

Legal Issues Handled: Disaster Legal Issues, Housing - Tenants, Immigration

We are community lawyers. In our legal work we collaborate closely with grassroots organizations working towards a more just and equal society. We provide direct legal services to community members on issues affecting tenants, workers and others in need in partnership with these local organizations.
