Information Not Legal Advice

FloridaLawHelp.org has been prepared for general information purposes only. The information on FloridaLawHelp.org is not legal advice. Legal advice is dependent upon the specific circumstances of each situation. Also, the law may vary from state to state, so that some information on this web site may not be correct for your jurisdiction. Finally, the information contained on FloridaLawHelp.org is not guaranteed to be up to date. Therefore, the information contained in this web site cannot replace the advice of competent legal counsel licensed in your state.

Lawyer Advertising

In some jurisdictions this web site may be considered lawyer advertising. The hiring of a lawyer is an important decision that should not be based solely upon advertisements.

Any listing of an attorney does not constitute a recommendation of the attorney. Before hiring any attorney, you should investigate the attorney's reputation and qualifications.

Links

This web site contains links to other resources on the Internet. Those links are provided as citations and aids to help you identify and locate other Internet resources that may be of interest, and are not intended to state or imply that we sponsor or are affiliated or associated with the persons or entities who created such site, nor are the links intended to state or imply that we are legally authorized to use any trade name, registered trademark, logo, legal or official seal, or copyrighted symbol that may be reflected in the links.

E-mail

Viewing this Web site, or transmitting an e-mail message through this Web site, does not create an attorney-client relationship. Sending email to an attorney mentioned in this site does NOT create an attorney-client relationship between you and the attorney. Unless you are already a client of the attorney, your email may NOT be protected by the attorney-client privilege. Moreover, unless it is encrypted, email can be intercepted by persons other than the recipient. Deadlines are extremely important in most legal matters. You may lose important legal rights if you do not hire an attorney immediately to advise you. Many people do not check their email daily, and some attorneys do not respond to unsolicited email from non-clients.

LSC Support

LSC's support for this website is limited to those activities that are consistent with LSC restrictions.
